RAVEN AWARD

Invest in education.

It's a phrase you've probably heard spoken many times before, and while we think there's quite a bit of truth in that statement, we also know that any investment worth making should always deliver a significant return.

We're pretty serious about helping you get to where you want to be—without a debt load that gets in the way of the rest of your life.

This is why we'll always be up front with you about the costs of an AU education. When you start your story at AU, you automatically earn a renewable merit scholarship. We'll also tell you about other available scholarships and grants here on campus, and we'll walk you through every detail of the FAFSA, making sure you graduate from AU ready to compete and succeed in the marketplace.

FINANCIAL AID PROCESS

1 Apply to AU

You must apply and be admitted before financial aid can be offered. If you qualify for scholarships, you will be notified with a merit scholarship letter.

2 Scholarships

Scholarships are merit based (SAT/ACT & GPA) and only require that you be admitted to AU, for consideration.

3 Complete the FAFSA

After Jan. 1, the Free Application for Federal Student Aid (FAFSA) is available at www.fafsa.gov. To be considered for any need-based grants, loans, or work study, the FAFSA is required. Indiana residents have a state deadline of March 10. AU's FAFSA code is 001785.

4 FAFSA not telling the whole story?

Complete AU's additional information request form, available at www.anderson.edu/finaid for possible situations such as loss of job, loss of wages, death in the family, excessive medical expenses, etc.

5 Your financial aid solution

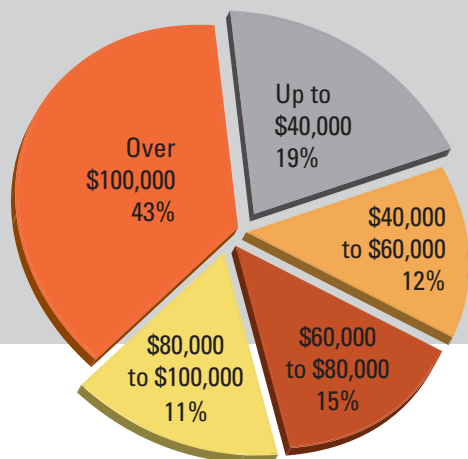

Your financial aid package will include any scholarships, grants, work-study, and loans for which you are eligible. Talk with your admissions counselor and/or Financial Aid counselor to ask questions or clarify package information at (800) 421-1026 or sfs@anderson.edu.

6 Wrap it up

Make your decision and submit your \$100 enrollment deposit to solidify your spot!

Our Student Body Financial Profile

« AU students are from diverse backgrounds, so no matter your situation, there are families just like yours at AU!

"Anderson University's advice has been invaluable, and the connections AU has provided have been tremendous. Although I pursued Mountjoy Chilton and Medley on my own, it was their guidance and support that prepared me for developing business connections on my own."

— TYLER LADIG BA '14
