*** The State of Indiana requires 150 credit hours to sit for the CPA examination. An additional 28-30 course hours are required beyond this suggested sequence. Students planning to sit for the exam in a state other than Indiana are responsible for verifying the requirements in that state.*

The Accounting major is designed to provide a knowledge base in both financial and managerial accounting. Accounting courses expose the student to a broad perspective of accounting needed for management responsibility within a company, in the field of public accounting, and for studies in a graduate program. The major provides coursework that helps prepare students for the Certified Public Accountant (CPA) exam.
