Speaking Intensive	3 Hours	Civic Ways of Knowing	3 Hours
Elective	3 Hours	Elective	3 Hours

The music major prepares students to pursue a variety of career paths in music by designing their own package of elective courses and senior project. Students undertake a variety of music theory, music literature, music performance, and music education courses. Students must also complete four hours of private applied study and three to six hours of area-specific electives. Participation in the appropriate ensemble and a recital is required for all music majors.
