

Associate of Science: General Studies Major (60 credit hours) 2019-2020

The two-year Associates of Science degree provides foundational courses for the university's bachelor's degrees. The curriculum assumes proficiency in writing at the ENGL 1100 or 1110 level and in mathematics at the MATH 1000 level.

Associates of Science: General Studies Major Requirements:

- 34-37 hours of the Liberal Arts core curriculum.
- 15-18 hours in a concentration area as approved by student's academic advisor.
- At least 30 hours must be completed at Anderson University
- Complete at least 60 credit hours.
