

Your FAFSA was selected for review in a process called verification. Federal law requires that Anderson University confirm your high school completion status. No further action can be taken on your financial aid, including all federal, state, and/or need-based University funds until you submit the required information and complete this process.

If there are differences between your FAFSA data and the verification documents, Anderson University will make corrections electronically. Your financial aid awards may be adjusted as a result of the correction process.
