Writing Major (35 credit hours)

The Writing major provides the student with opportunities to develop advanced writing competencies in a range of creative and professional writing arenas. Because of the relatively small number of hours required for the major, it is strongly recommended that the student pursue an additional major, or a strategic set of additional minors, that the Writing major will complement.

The student must earn a minimum of 35 hours from among the following requirements and options:

18-25 credit hours from the following courses devoted to writing, editing, and/or publishing:

ENGL 2500, Appreciation of the Writing Craft, 2 credit hours
