

### Sport and Recreational Leadership Major (52 credit hours)

---

The Sport and Recreational Leadership major prepares students to work in recreation and sports centers, with athletic programs, at camps, and/or in YMCAs, churches, businesses, etc. The goal of this major is to help young people find their niche in the sport and recreation industry. Students will take a common core of classes and then gain knowledge and experiences in specific areas of sport and recreation programming, management, business, and leadership.

#### **Major Requirements:**

- ACCT 2010, Principles of Accounting I, 3 credit hours
